Injury Insurance Information:

- A player must be registered in the current CORC futsal competition to make an insurance cover claim.
- All registered players agree to be covered by the sports insurance policy as arranged by CORC. Policy details are available from the competition organiser via recsportsprograms@canadabay.nsw.gov.au .
- For a player to make an insurance claim, an injury report form must be completed within 14 consecutive days of the reported injury. Failure to do so may void a player's right to claim through the above-mentioned insurance policy.
- Please note that CORC provides the minimum level of cover which means this program is not "comprehensive" and as such, we encourage all participants to take out private health, life and income protection insurance according to their own individual needs and circumstances.
